

Held over four days in the heart of Hollywood, the TCM Classic Film Festival is a place where movie lovers from around the world can gather to experience classic movies as they were meant to be experienced: on the big screen, in some of the world's most iconic venues, with the people who made them. Moreover, the TCM Classic Film Festival strives to be a place where a community of movie fans of all ages can share their love of classic movies with each other, make new friends and see films as they are seldom seen today.

## POWERFUL WORDS: THE PAGE ONSCREEN

Writing focuses visions, reflects our feelings and inspires great performances on both sides of the camera. Join us for the 2018 TCM Classic Film Festival, celebrating the representation of the written word on the silver screen. From original screenplays to unique adaptations to portrayals of writers real and imagined, we will celebrate the foundation of great film: the written word.
